

Dine (and more) in an Amish Home!

Join us for a meal on a non-commercial, private Amish farm, tucked away on a back country road, across from an Amish one-room school. These unique experiences are available to groups exclusively through the Amish Experience.

1. DINE: Start with an authentic, fully-licensed PA Dutch meal, served in the living room of an Amish home.

2. CHAT: Enjoy a question and answer session with your Amish host. Learn about Amish culture straight from the source!

3. CRAFT: Engage in a favorite Amish past-time...making greeting cards! Your Amish hosts will guide you through the process so that you can make your own card to take home.

PRICING (35 or more)*
