In addition to our study guide, each school bringing 20 or more students to the Underground Railroad Experience will receive a copy of the BLACK CHRONICLE, a fascinating 68-page publication that traces African-American history in the style of a newspaper. Each 4-page tabloid covers a specific era and its significant events and people. Topics range from the Fugitive Slave Act and Nate Turner Rebellion, to Black troops in World War I and Martin Luther King, Jr. The complete set of the Chronicle represents a \$20 value.
